House 2249 Saint-Rémy-de-Provence

****EXCLUSIVELY with our Partner!**** At the foot of the Alpilles, just minutes from the center of Saint-Rémy-de-Provence, this rare property stands in a preserved setting where rock, pine trees, and terraced stone walls create an exceptional landscape. A unique opportunity on the Saint-Rémy real estate market. Built in the 1970s by architect Chabal, the house replaced the former quarryman's hut. The living room still bears the marks of its framework anchored in the rock, a subtle reminder of the site's unique history. The property covers nearly 5,000 m² of land, richly wooded and naturally shaped by rock formations and old terraced walls. This peaceful retreat enjoys an especially preserved atmosphere while being only minutes away from shops and the vibrant town center of Saint-Rémy. With approximately 125 m² of living space, the house features a living room with a fireplace, a separate kitchen, three bedrooms, and two bathrooms. An independent...
